#HATNOTHATE
HELP US ERADICATE BULLYING ONCE AND FOR ALL!

No matter what your politics, “craftivism” has taken center stage.

Lion Brand’s “Hat Not Hate” campaign will galvanize consumers to knit or crochet blue hats and wear them proudly during National Anti-Bullying Month (October).

Through the hashtag #HATNOTHATE we will build a new craftivist movement promoting Anti-Bullying and the many groups that support it.
