2021 HAT PATTERN LOOKBOOK

531

Hello Craftivists!

Looking for a way to put your love of knitting, crocheting, and looming into action? #HatNotHate invites you to make a handmade blue hat for a young student as a symbol of solidarity against bullying.

Every year, we collect tens of thousands of donated hats and distribute them to schools around the country during National Bullying Prevention Month in October as a symbol of the growing community of students and adults standing up to bullying.

Thousands of passionate makers around the world have helped us make a difference in the lives of school-age children. Would you like to join us?

We've prepared our 2021 Pattern Lookbook to inspire knitters and crocheters of every skill level. Inside, you'll find several different patterns to choose from and quotes from fellow #bluesoldiers. Don't miss #HatNotHate founder Shira's official blue hat pattern - created by #bluesoldier, Nadine Johnson.

Once you're finished, you can send your hat to:

2. The "legs" of a single crochet are the two leaning vertical strands that form a "V" on the front of the st.

INTERMEDIATE

**STITCH EXPLANATIONS**

**sc-blo (single crochet in back loop only)** Insert hook in back loop only of indicated st and draw up a loop, yarn over and draw through 2 loops on hook.  
**WC (Waistcoat Stitch)** Insert hook between the "legs" of the next st, yarn over and draw up a loop, yarn over and draw through both loops on hook.

**NOTES**

1. A waistcoat stitch is worked like a single crochet EXCEPT that the hook is inserted between the "legs" of the next sc instead of under the top 2 loops.
2. The "legs" of a single crochet are the two leaning vertical strands that form a "V" on the front of the st.

**NOTES**

1. A ribbed band is worked first, back and forth in rows. The short ends of band are slip stitched together to make a ring.
2. The Beanie is worked in continuous rnds (spiral) beginning along one long side of ribbed band and with RS always facing.
3. Yarn color is changed following a Chart to make a beanie image and 'Shiri Roars'. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color. Carry colors not in use along inside of Beanie or work the sts of the new color over the carried strand(s), whichever you prefer.

**BEANIE**

**Ribbed Band**

With smaller hook and A, ch 10.  
**Row 1 (RS):** Sc in 2nd ch from hook and in each ch across – you will have 9 sc in this row.  
**Row 2:** Ch 1, turn, sc-blo in each st across. Rep Row 2 until piece measures about 17 in. (43) cm) from beg.

From WS, bring short ends of band together with sts matching. Working through both thicknesses, slip st in each st across to join band into a ring. Do not fasten off.

**Beanie**

Change to larger hook.

**Notes:**

The following Set-Up Rnd does two things:

1. Starts working in continuous rnds (spiral) along long edge of ribbing.
2. Works across 20 sts to reach the correct position for beginning the Chart.

printable version

**Set-Up Rnd:** Ch 1, working in ends of rows along long edge of ribbing, work 70 sc evenly spaced along edge; do not join, work in continuous rnds (spiral); beg in first sc of this rnd, work WC in each of next 20 sc. Place a marker in the last st made to indicate end of rnd. Move marker up as each rnd is completed.

**Charted Pattern**

Rnds 1-21: WC in each st around and change yarn color following Chart until all 21 rnds of Chart have been completed.

Cut B and C.  
Work remainder of Beanie with A only.

**Next Rnd:** WC in each st around. Rep last rnd until piece measures about 12 in. (30.5 cm) from beg.

Fasten off, leaving a long yarn tail. Thread tail into blunt needle and weave needle through sts of last rnd. Pull to close opening at top of Beanie and knot.

**FINISHING**

Weave in ends.

With yarn colors as desired and following package directions, make a pom-pom. Tie pom-pom to top of Beanie.
