

THE BLUE REVIEW

APRIL 2021

MAKER SPOTLIGHT

"I was bullied in middle school and wish there had been someone like Shira back then. I have set my goal for 2021 of 100 hats. I have also promised Shira that for every box of Lion Brand Yarn I order I will return the box to Hat Not Hate with hats. To date I have made 75 hats for 2021. I started watching the Shi Show during the pandemic like so many of us. Keep up the great job and I'll keep on making hats."
