

THE BLUE REVIEW

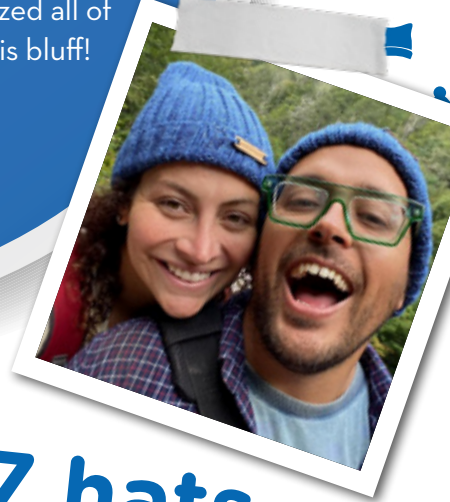

SEPTEMBER 2021

Hello #Bluesoldiers

If there was ever any doubt of the determination that you all have...that's gone. In the last push of HATNOTHATE 2021, we collected a whopping 32,716 hats, and including last year's 32,531, this brings us to a grand total of 65,247 hats that will be distributed during the month of October! I would be remiss if I did not give a shout-out to my boyfriend Jack who incentivized all of you with #6oktomeetmybae, and you called his bluff!

He came on The Shi Show, and you can see that episode here.

32,531 + 32,716 = 65,247 hats

The month of October will be full of blue in the best way, where students from schools around the country who have received some of your hats will be joining us every Wednesday and Thursday on The Shi Show. These students are also learning about #HatNotHate through our educational program with great help from Dennis Morolda, our Educational Director.

Remember you can still make hats for your neighbors and friends to support our mission of ending bullying together!

Warmly,
-Shira

MEG IS BACK!

Meet my little Maggie. She was born on 4.3.21 (a cool birthday right?). Maternity leave was so lovely, but I am happy to be back in the office with Shira and Dennis.
