2. The "legs" of a single crochet are the two leaning vertical strands that form a "V" on the front of the st.

INTERMEDIATE

STITCH EXPLANATIONS

sc-blo (single crochet in back loop only) Insert hook in back loop only of indicated st and draw up a loop, yarn over and draw through 2 loops on hook.

WC (Waistcoat Stitch) Insert hook between the "legs" of the next st, yarn over and draw up a loop, yarn over and draw through both loops on hook.

NOTES

1. A waistcoat stitch is worked like a single crochet EXCEPT that the hook is inserted between the "legs" of the next sc instead of under the top 2 loops.
2. The "legs" of a single crochet are the two leaning vertical strands that form a "V" on the front of the st.

NOTES

1. A ribbed band is worked first, back and forth in rows. The short ends of band are slip stitched together to make a ring.
2. The Beanie is worked in continuous rnds (spiral) beginning along one long side of ribbed band and with RS always facing.
3. Yarn color is changed following a Chart to make a beanie image and 'Shiri Roars'. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color. Carry colors not in use along inside of Beanie or work the sts of the new color over the carried strand(s), whichever you prefer.

BEANIE Ribbed Band

With smaller hook and A, ch 10.
Row 1 (RS): Sc in 2nd ch from hook and in each ch across – you will have 9 sc in this row.
Row 2: Ch 1, turn, sc-blo in each st across. Rep Row 2 until piece measures about 17 in. (43) cm) from beg.

From WS, bring short ends of band together with sts matching. Working through both thicknesses, slip st in each st across to join band into a ring. Do not fasten off.

Beanie
Change to larger hook.

Notes:
The following Set-Up Rnd does two things:

1. Starts working in continuous rnds (spiral) along long edge of ribbing.
2. Works across 20 sts to reach the correct position for beginning the Chart.

printable version

Set-Up Rnd: Ch 1, working in ends of rows along long edge of ribbing, work 70 sc evenly spaced along edge; do not join, work in continuous rnds (spiral); beg in first sc of this rnd, work WC in each of next 20 sc. Place a marker in the last st made to indicate end of rnd. Move marker up as each rnd is completed.

Charted Pattern
Rnds 1-21: WC in each st around and change yarn color following Chart until all 21 rnds of Chart have been completed.

Cut B and C.
Work remainder of Beanie with A only.

Next Rnd: WC in each st around. Rep last rnd until piece measures about 12 in. (30.5 cm) from beg.

Fasten off, leaving a long yarn tail. Thread tail into blunt needle and weave needle through sts of last rnd. Pull to close opening at top of Beanie and knot.
